“ Not a day goes by that I don't think of you. I lost you much too soon and I would do anything just to be able to talk to you one more time. There are so many things I need to tell you and I know you would know just what to say to me. You always did. I hope you know that I miss you and that you were the best person I've ever knew. You were the best mother a son could ever dream of having. I am so lucky I had such a strong, beautiful woman to raise me. Thank you for that momma. Your memory lasts in me until I meet you again, and until then, I love you so much..
Your son, Casey
