“ *Michelle and I were in Steinhatchee elementary school together. I saw her regularly at the Cypress Inn, and around Cross City. She was always polite and friendly. She and her family will be in our thoughts and prayers.*

“ *My most favorite times with Michelle, Shelly were in Miami when as children we pretended to be a family (we already were) and in the dirt of west Miami, we would mark out sections in the earth for the many rooms of our make believe home. We'd gather twigs and leaves to make homemade soup and enjoyed this play time. Time stood still. We had a blast. Shelly, you will forever remain in our hearts as one of the sweetest cousins in our family! I'm so very thankful for the time we shared and I LOVE you. I'm praying for your family baby, that God provides comfort where there is none. Until we meet again, you are with your daddy and mom and in a most wonderful place forever, in Jesus name we pray and believe you will be with Shelly's family, Amen*

“ *Theresa Corbin, I remember about Michelle. We both liked laying in the sun. She would come over to Granny Babe's with Jack and get me and Dusty off we go to the river. We liked drinking beer and Granny Babes would tell us it was wrong but Michelle was a true friend and we all went our separate ways but when my son Dusty called me told me about Michelle, it broke my heart. But we know that only God chooses the best ones to go. In my heart I will always remember her like we were back in the day. My heart goes out to you Jack. Love you, Theresa Dusty's Momma*
