*I never thought for a second I would lose this girl, I hate that way I was talking about how much I missed her since I had moved and I wanted to see her..I found her social media and got ahold of her and asked if she was going to be in Naples all summer and she told me not for the first 2-3 weeks she wouldn't I was supposed to see her again right around June 17th I have never felt so much emptiness, I cry almost everyday because this summer was supposed to be our summer, the summer where we would talk about everything that had happen why while we were apart, my heart is broken I hope she rests at best and God opens her eyes to watch over the people who love her. Rest easy miley bear I miss u baby,so much girl. LLMB☐🕊️*

“ *Ever since she was a little baby 3 years old maybe 4 every single time she saw me she would run up and start jumping up and down Cortney Cortney and she had to have been the sweetest little girl I've ever met in my life, the last time I saw her she was getting so big I gave her a sports bra from Victoria secret she saw I had and she loved it!! This is such a devastating tragedy, my heart goes out to Vickie &Stanley Bo Bo &Stacy, and the rest of the family!*
