“ I know this is long overdue, but I just recently became aware of Mitchell's passing. I was not what you would call a close friend, but I cared about him deeply. I only saw him and Bobby Sue once a year when I prepared their taxes, but over the years became quite fond of both of them. He will truly be missed by many that were touched by his kindness and friendship. Brenda Luckey

“ I just wanted to say that Mitch did a superb job as a leader of our branch of the Florida trail association. His dedication and hard work as a leader and as a hiker on trails made the Florida trail association a much better organization. I will certainly miss him.

“ Mitch led us on so many great hikes with FTA. Among the most memorable were the special “off the beaten path” hikes in Levy, Dixie and Gilchrist Counties which were areas that Mitch loved.
