“ *Our hearts break for you Jeff. We didn't have the honor of knowing your son, but we have known you and your parents since you and Brad were in high school together and played football together and I know Morgan must have been a very fine young man. You and all your family and Morgan's young family are in our prayers that God will provide comfort and the peace that only He can give at times like this. We have had to depend on God's love to get us through the past almost 12 years since Brad's death. I know He will be with you all as well, one day at a time. Love and prayers for you all. “ Morgan was always smiling. A few months ago he walked in the office. Called me Granny, most of the boys growing up in Suwannee do. I will miss his random visits. We love you Morgan.
