*So very glad that Nancy Watson-Gonzalez service was recorded and I've been able to see from the very beginning. So glad that my brother David Gonzalez was blessed to have had Nancy in his life. They were a true love story. Love to the whole family & circle of friends who were touched by the loving aura of Nancy - glad I was one them. Rest easy, dear sister-in-love. Now you & your other sister-in-law Robinette need to behave yourselves up there. Don't know why I said that, since neither of you ever did so here on this earthly realm!!— feeling loved.*
