

## Nancy Jones

February 13, 1960 - April 2, 2025

It is with sadness and loving remembrance that we announce the passing of Nancy Jane Jones, a devoted mother, grandmother, and compassionate nurse, who passed away peacefully on April 2, 2025, at the age of 65.

Born in Maryland on February 13, 1960, Nancy was the daughter of Shirley Powers and Kenneth Keib Sr. From a young age, she acquired a deep empathy that would come to define her life. She was a remarkable woman who wore many hats throughout her life — a devoted single mother who raised her two daughters with unwavering love and fierce dedication. Later, a compassionate stepmother who embraced her blended family with open arms. Nancy was also a dedicated labor and delivery nurse who served her community for 33 years. Her steady hands and kind heart were a blessing to countless families as she helped welcome new life into the world.

Nancy was preceded in death by her husband, Richard Jones; her daughter, Amy Thacker; her parents, Shirley Powers and Kenneth Keib Sr.; and her brother, Kenneth Keib Jr.

She is survived by her daughters, Robin Barber and Tracy Laughlin; her sister, Linda Cayton; and a host of extended family and friends who will forever hold her in their hearts.

Nancy's legacy lives on in the lives she touched—with every child she helped deliver, every patient she comforted, and every moment she poured her love into her family. She will be deeply missed and remembered always.
