I am so happy I was able to meet such a beautiful kind woman. For several years I did her nails and she would share stories with me, mostly of her family. I will certainly miss our time together. I'll never forget I was able to get her out of her comfort zone of getting Fink and white and she did sparkle pink and white. She did it mostly for me I think because when she came back she was ready to go back to her normal color lol.

I have the tea pot that you ask for when I went to Pennsylvania, the only regret I have is I didn't send a picture for you to see it. I wanted it to be a surprise. I will display it in my salon so when I look at it, I will think of you always. 🥹🙏

“ Nancy and I have been friends since my family moved back to Dixie County in 1976. We became family the same year when my sister Gale married Nancy's uncle Ronald. I never seen her that we didn't have a minimum of 20 minutes worth of conversation, but that wasn't just me lol. There wasn't too many weeks we didn't go without fb messages to each other. She was my friend but greater than that, she was my Sister in Christ and my praying partner. My heart breaks my friend because of the loss we are feeling but when I think of the meeting between you and my Lord, I break out in a smile. Its what we have prepared for most of our lives. Please give my Sweet Man a hug and tell him I love him still and forever I will you. Walk pain free and show Gloryland just who Nancy Kaye is..... see you down the road❤️
