“ *James, Patty and Ashley,
Your wife/mother/Meme, was one of the kindest people I knew.
From the very first time I met her until the last time I spoke to her a
couple months ago, she always greeted me with the sweetest smile
and the most precious joyful voice.
Patricia was a blessing to have as a friend.
Prayers for peace for y'all, and the comfort of Jesus to surround
you.

“ I don't remember a time when Patricia was not a part of my life or heart.

I can remember when she would come to our house to help my mom roll her hair , and the time she helped paint our bathroom. The time both of our families went fishing on Lake George.

All the years that Patty and I have been friends , the trips Patricia & James would take us on.

Patricia has always been a second mother to me and I will never forget her.

She has touched many in her life among us and her memory will live forever in our hearts.

*Rest In Peace Momma,
I will LOVE you Forever!

“ I had the pleasure of doing Trisha's hair for many years. I'll never forget the time I had a beauty shop by the Cypress Inn, and someone broke into it and stole almost everything I had. the next morning, I got a call from her and James, wanting to know what they could do to help me get back on my feet, she was a dear friend and I loved her so much!

“ I was crushed to hear of Cottioner's passing. We all have so many wonderful memories of visits together. Her great personality and smiling face will never be forgotten. She had such a love for life. I have told many people that the love that she and James have is a love that everyone dreams of. Such support, respect and devotion for all the world to see. I love you all and my heart is saddened. May God give each of you peace . Please know that heaven is rejoicing and you will see her again.
