“ *Pat was a mentor, friend and second mother to me and my family. We met over lunch in a Deerfield Beach cafe where she hired me to work for a Cardiology group I stayed with for 27 yrs and counting. She gave me all the tools to succeed. She was there for all of my children when they were born and beyond. I was so blessed to have her in my life. She will be missed. You really don't know what you have until it's gone.*
