“ Mrs. Glisson was the heartbeat of any office she ever worked in. A go getter, and could take charge and get the job done. She was one you could always count on. E. P. Green, Bill Rains, Cody Jackson, Alan Harden, and my dad, Claude Killian, could all give testimony of her great spirit and work ethic. They worked side by side through the years and if her name came up it was with a smile and appreciation. Mrs. Polly was a jewel, with a love for family and anyone within her realm of influence. Prayers to Carolyn and family.
