“ Dick was my employer when I was a young man in Burdett Ny. at his repair shop/ gas station in 1970.He was a very clever person and knew lot about cars and large trucks.I learned a lot from Dick because he was willing to teach if you were interested in learning.I also had the pleasure of working with Mike Cox at the same time. Now, these guys are some of the Best people you could ever meet and get to share life with. My sympathy to all family and friends.Dick left me with a memory you can never forget.Good bye Dick...MikePolakow of Burdett Ny.
