“ The first time I met Mr. Pelletier was at a Republican meeting one evening about two years ago. We had a wonderful conversation and discovered that he lived near me. Being the gentleman that he was, he insisted that he follow me home to make sure I made it home safely. Since then I have always had a special place in my heart for him. Every time I would see him he always had a smile on his face. Then when he and Ms. Marsha Rankin became a couple of was even more of pleasure seeing the two of them together, always so happy 😊 He will be greatly missed and my thoughts go out to the family and Ms. Marsha <3
