“ *Rob and Mitzy have been family to my Granddaughter Rayonna since the age of 8, really like a 2nd set of parents. Rayonna and Lily were best friends. They opened their home, they freely and genuinely loved her like their own.. I loved feeling his appreciation and love for his wife and family in his FB posts.. I sincerely regret not getting to meet him.. Blessings for strength, and may you all find peace in memories and always remember how much he loved you..
