“ *Sammy was one of the most forgiving and sweetest young ladies I've ever known. She wanted me in her life and I wanted her badly in mine..she didn't care what my past was like. And she loved me no matter what. She just wanted to be loved and treated fairly. And it's not fair that she took her own life for no reason. She had a wonderful son and she was one of the best moms I've ever known. I loved her laugh and smiles with her adorable dimples. And she gave the best hugs ever. May you rest in peace my dear. You are missed so so much. I love you past the moon and back. Love you bunches. Momma*

I only knew Sam for a short time but she was always sweet as could be. Whether we were fish snapping tops grilling or picking on eachothers accents we always laughed. I was very upset hearing this news and my love goes out to those who love her. Love Matt

I'm sorry for your loss, and for Ms. Fahr. I came here searching for someone else by this name, but my heart goes out to this poor woman and her family.
