“ I am so sorry for your loss and shocked to here this news. I worked with Scott during the 2010 Census. We were both Crew Leaders. He was a great leader and a wonderful teacher for all of the verbatim trainings that we had to give to all of the workers. We also had to finger print everyone and Scott had such a good nature and humor dealing with people. His love for dogs or any animal that was distressed was always escalated. When there were disagreements or augments between workers, Scott would use his deep, soft voice to calm the situation. My life has been touched by Scott's goodness. I know he believed in the Lord Jesus.

Prayers to all - Connie Sue Whetstone, Moody, Al
I shared 2 pictures of Scott from 2011. He must have loved the color blue from the photos. I am lighting a Blue candle for him.
