“ *Our thoughts and prayers are with the entire family in their time of loss. We will remember Sharon as a rock for her family and a grandmother who loved her grandchildren like no other! She was so proud of them and didn't hesitate to keep us updated on what the older boys were doing. Her youngest grandson loved when she would pick up or drop off - they reminded me of a pair of best friends. She always made sure her grandchildren were respectful and good listeners while at school with us. I appreciated her smile and laughter, in my 11 years of seeing her whether at her work or picking up and dropping off the boys at the center she always had a smile even when you could tell the day had been long. We will miss her but will never forget her kind heart and spirit.*

Sincerely,

*The Teachers and Staff at the Clyatt House Learning Center
