

Teresa Brannin

September 5, 1973 - January 23, 2025

Teresa Brannin, born September 5, 1973, in Alabama, and passed away on January 23, 2025, at 2:49 PM, Teresa was a cherished wife, mother, daughter, sister, and friend.

She was the beloved daughter of Monica and Bruce McDaniel and a devoted sister to her brothers, Mac and Chad. Teresa was married to Glenn Brannin, and together they raised eldest daughter and twin daughters, she had two grandkids who called her lovey, who were her greatest joy in life. Her dream was to be a stay-at-home mother, a role her husband worked hard to support for many years, her passion was always her family, a passion that didn't dwindle no matter the circumstances.

Teresa was a fantastic cook and an avid photographer, capturing countless moments of joy, family experiences and great memories. She adored Boston Terriers, loved visiting Clearwater to see her father, and found happiness in succulents and craft shows. She was caring, strong-willed, and incredibly smart, homeschooling her daughters and dedicating herself to their upbringing.

In her later years, Teresa served as a guidance counselor at Bell High School, forming many meaningful friendships and offering her kindness to others. Her love for sunflowers, flying pigs, and her dream of visiting New York in the

winter reflected on just a few of her many aspirations. She had never reached the destination of New York, but it was a goal she kept close, always.

Teresa wished to be remembered for her best moments: cheering on her daughters in any circumstance, helping those in need, and giving her family the best life she could. Her legacy lives on in the lives she touched and the love she shared.

A Memorial Service for Teresa will be held 3:00 PM Tuesday, February 4, 2025 at the Rick Gooding Funeral Home Cross City Chapel. Visitation will be one hour prior to the service at the funeral home.

“ I am still in total disbelief that you are gone. I will treasure the day we met. You were applying for a teaching position in a center that didn't last long enough for you to start. You were so full of life and had great ideas. I remember the first day of school this school year. I was shocked to see you were working at Bell middle High. You came out from behind the counter and gave me a hug. 🤗 Your first question was " Girl I know you don't have a senior?" Boy the pictures we shared... As we held up the line on the busy day of the year. It was so great catching up. You are truly going to be missed. I never knew you were even sick, because you always stayed so positive and full of life. I will say you have made a huge impact on my life. Until we meet again my friend...

“ Teresa and I began our friendship through working together. It wasn't long that I learned of her twin girls. She was a very proud mother and they were her World. She held our current doggie nearly a year until my husband I and I were ready to take on a little rescue doggie whom we named our new 4 legged boy Milton I know you are in Heaven now smiling down on your girls and family and friends. Always will miss you. Love you
