“ *Several years ago when my dad was in the hospital, Theodore and Polly came to visit and Theodora asked Polly if she wanted something from the vending machine. She said no I'll drink some of yours. Thodora immediately told her that if she wanted a drink then he will get her one. She said again "no I'll drink some of yours". So, he went to the vendig machine and bought himself a drink. when he returned, Polly asked for a sip of his drink. Of course, he said "NO". I sked you ad you said no and now you can get your own.*
