Timmy is of the best, simple, honest and to the point speaker, down to earth, and this speech was honest about one of the best person I have ever known. Like Timmy "Snake" said, any time I ever needed help, Timmy "Mechanic" I called him, was always willing to help. We will always miss you Tim, see you on the other side. Ron.

“ We, my wife and I were new to Cross City and had car trouble one particular day. We were at Dixie Dinner and ask for help and we’re promptly referred to Mr. Cannon.
I called him and he said come by. He was very busy, but stopped to take care of us in a kind and quiet posture, reflecting everything we love about the people of Cross City.
This was several years ago.
I am saddened by his passing so early in life and grieve with those who loved him. He was one of first people we met in Cross City.
God bless you his family.
