“ I came to know Tony as the beloved husband of Dale. She is a cornerstone of our Zumba community and always shared how supportive Tony has been of her activities; encouraging her to attend our classes when she was tempted to stay home, knowing that her spirits would be lifted afterwards.

He was her defender when others would be less supportive of Dale's work to improve her health and encourage in every way possible to achieve the goals she set for herself.

We (our Zumba community) offer our sincere sympathy to Dale and family members at their loss.
