“ *Dear The Hill Family,
I apologize this is late, but I only just learned of Tony's passing and wanted to send my deepest condolences. Tony was my high school boyfriend and we lost touch many many years ago, but he has held a special place in my heart all these years. I remember Tony as a kind and caring person, with a great sense of humor, and although we were very young when we knew each other, he made a very big impact on my life. My teen years were far from ideal and it was Tony who took me to school, gave me money for lunch, and taught me to drive a car when I was 15. I will always be grateful for the role he played so many years ago. I hope he is at peace now and surely wherever he is, he is making someone laugh and helping someone in need.*

*With sincerest affection,
Jennifer (Miller) Davis*
