“ My family all send their sympathy to all the Hall Family, We all remember when the kids were all younger and they lived neighbors to us. My kids and Willie and his brothers and sisters all went to school together and I went to school with their mom. God be with all of you through this time of your loss.

“ So sorry to hear of Willie's illness and passing. I knew him as a kid...he would come over to our house and play with my younger brother. I have fond memories of him....so glad we were able to reconnect on Facebook this past year before he passed away. Prayers to Willie's family....he was a good guy and will be missed!
