“ *I have some really good memories of being at Your house and just hanging out with you and your mom. I went to my first concert "Prince " with You and your Wilma and we had a blast. I Just have such great memories of the sarcasm and jokes she would say and all the time we spent together during our high school years. I know she is in a better place away from all the pain. God has her in his arms and she is definitely watching over her grand babies and you. I hope you find peace in your heart and soul although I know it will take some time. Love Kris💕💕*
